Valerie Baadh Garrett

Faculty Mentoring

Valerie has over 25 years experience in Waldorf schools and teacher training as a Spacial Dynamics® educator, therapist, trainer, and organizational coach. She pioneered a 1-12 curriculum for San Francisco Waldorf School, co-authored the collection *Games Children Sing and Play*, is co-director of Spacial Dynamics® China and founder of The Movement Academy Project. Her valuable Master Class webinars and media help hundreds of teachers around the world. She is an active mentor to Waldorf schools, individual teachers, and the Meristem program.
